

SECURITY POLICY

1. AlaDeen Gold requires all Users to exercise a duty of care in relation to the operation and use of its application.
2. Authorized Users of the application, with the exception of information published for public consumption, all Users of AlaDeen Gold must be authorized.
3. Authorized Users will pay due care and attention to protect AlaDeen Gold's information in their personal possession. Confidential, personal, or private information must not be copied or transported without consideration of:-
 - a. Permission of the information owner; and
 - b. The risks associated with loss or falling into the wrong hands.
4. Acceptable use of AlaDeen Gold's information in the application by authorized Users will be lawful, honest, and decent and shall have regard to the rights and sensitivities of other people.
5. Al-Ebreiz Global Capital Berhad, who is responsible for the information of the application, is required to ensure that:-
 - a. The application is adequately protected from unauthorized access.
 - b. Adequate steps are taken to ensure the availability of the information in the application, commensurate with its importance.
 - c. Electronic data can be recovered in the event of loss of the primary source. i.e., failure or loss of a smartphone application. It is incumbent on all application owners to backup data and to be able to restore data to a level commensurate with its importance (Disaster Recovery).
 - d. Data is maintained with a high degree of accuracy.
 - e. Application is used for its intended purpose, and that

procedures are in place to rectify discovered or notified misuse.

- f. Any electronic access logs are only retained for a justifiable period to ensure compliance with the data protection, investigatory powers, and freedom of information acts.
- g. Any third parties entrusted with AlaDeen Gold's data understand their responsibilities with respect to maintaining its security.
